## YMCA SAILING CAMP

Enjoy a summer of fun learning how to sail. The YMCA now offers sailing camp in two locations, Round Pond Ocean Sailing or Damariscotta Lake Sailing. Kids 8-15 can learn sailing and seamanship skills at the YMCA's Sailing Camp. Our staff of experienced instructors will teach your kids lifetime skills in our fleet of 14' dinghies. The new sailors have an opportunity for non-stop fun in, on and around the water in a safe, clean, outdoor environment. No experience necessary. Children should be comfortable in water and must complete a swim check.
